

PRAY PALS

When We Pray, What Do We Say?

Make prayer time hands-on and bring the Pray Pals to life with these free printable finger puppets! Whether it's bedtime prayers or anytime conversations with God, kids will love praying along with Poppy, Rainy, Airy, and Yessy as they talk to God using the P.R.A.Y. method: praise, repent, ask, and yield. Just print, cut, glue or tape, and pop them on. Perfect for families, Sunday school teachers, or anyone wanting to see children excited about prayer!
