

Family Project: Aviation Fellowship

Betty Greene loved aeroplanes, and she used her passion to serve God! After World War II, Betty helped to set up CAMF, now known as MAF (Mission Aviation Fellowship). MAF's goal is to tell people about Jesus that are hard to get to without an aeroplane! Read Matthew 25 v 14–30 and discuss ways you can use the things you love to serve God!

Day 1: Overview

- Look up Mission Aviation Fellowship.
- What countries does MAF reach?

- What kinds of planes do they fly in? (Navigate to "Our Fleet" in the footer of MAF's website.) Which aeroplane do you think looks the most interesting?

Day 2: Aviation History

- When was the first aeroplane made?

- When was the first commercial plane made?

- Who made the first trans-Atlantic flight?

Day 3: Aviation Feats

- Who holds the record for the fastest flight?

- How long is the longest flight on record?

- How fast does the fastest aeroplane go?

Day 4: Women in Aviation

- Who was the first female pilot?

- What is Amelia Earhart famous for?

- Who was the first African American to earn a pilot's license?

Day 5: Work of the MAF

- What practical needs does MAF meet?

- What conservation does MAF do?

- What is the mission of MAF?
