Listen! Do you hear it?

A sound coming from a
prison in Philippi.

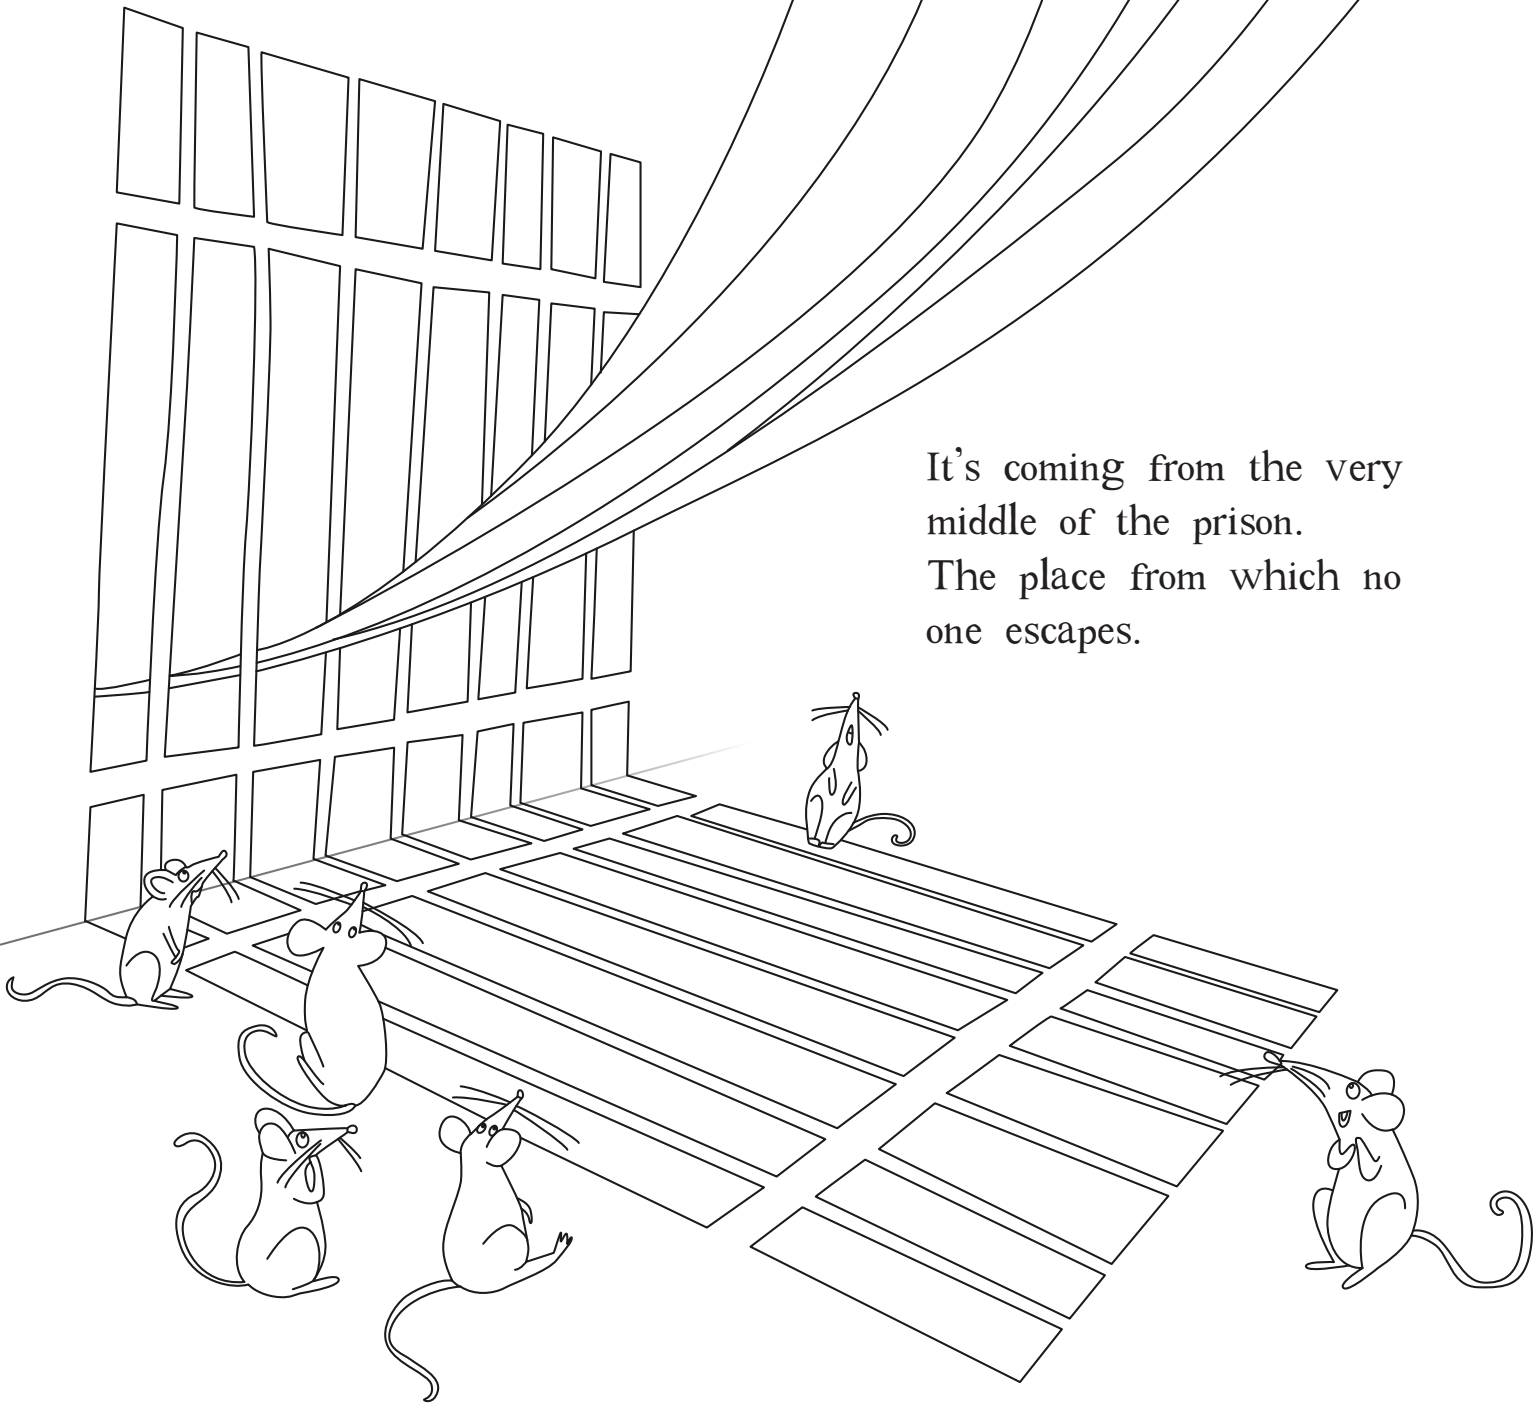

The Jailer is snoring!

He's fast asleep. And his
prisoners are all safely
locked up for the night.

But there's another sound.
Do you hear it?

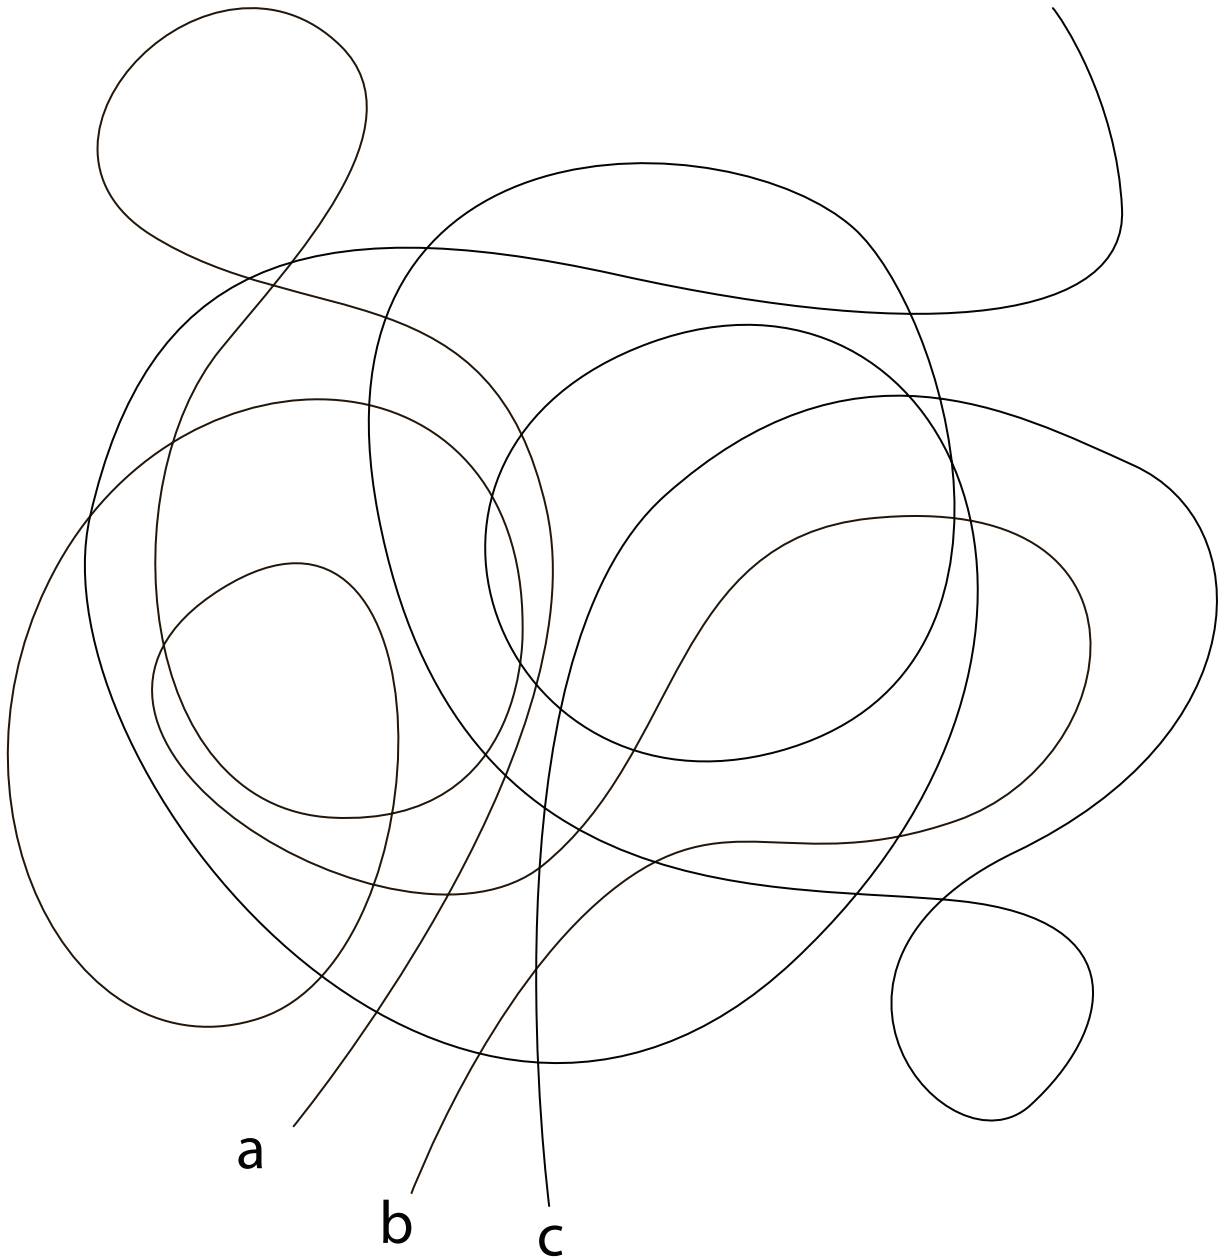

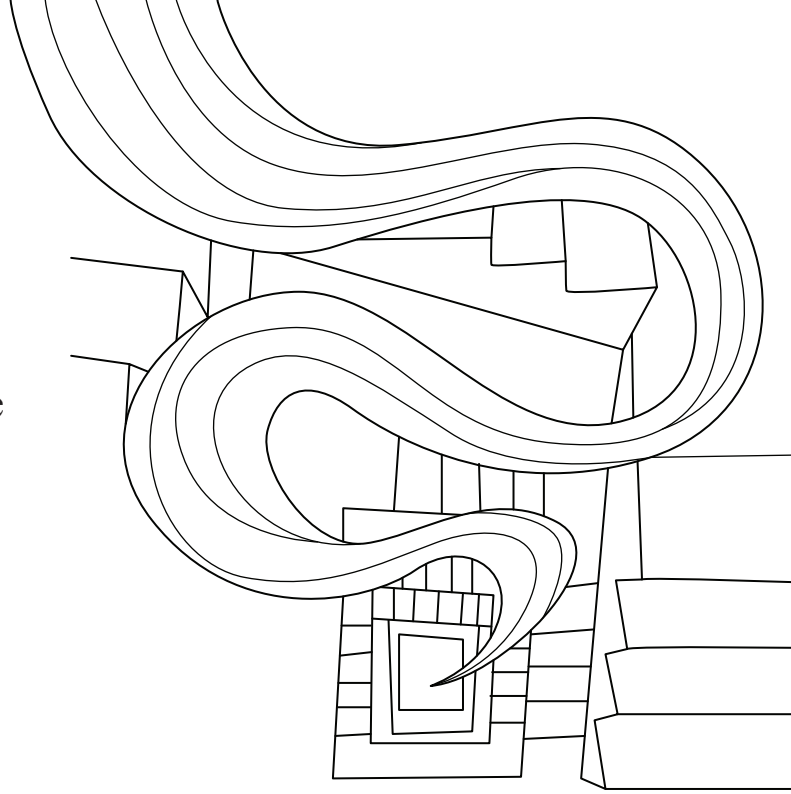

It's coming from the very
middle of the prison.
The place from which no
one escapes.

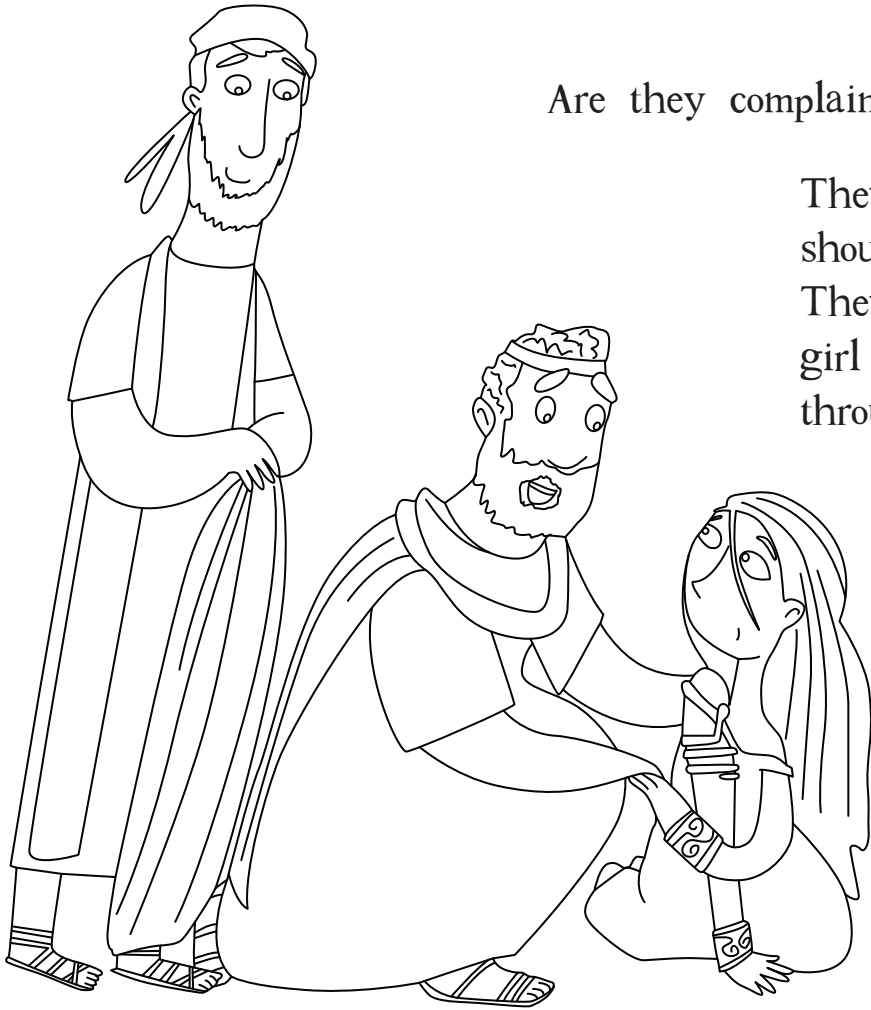

And it's coming from two of the prisoners.
Listen closely!

Maze

Which path leads to the middle of the prison, where the sound is coming from?

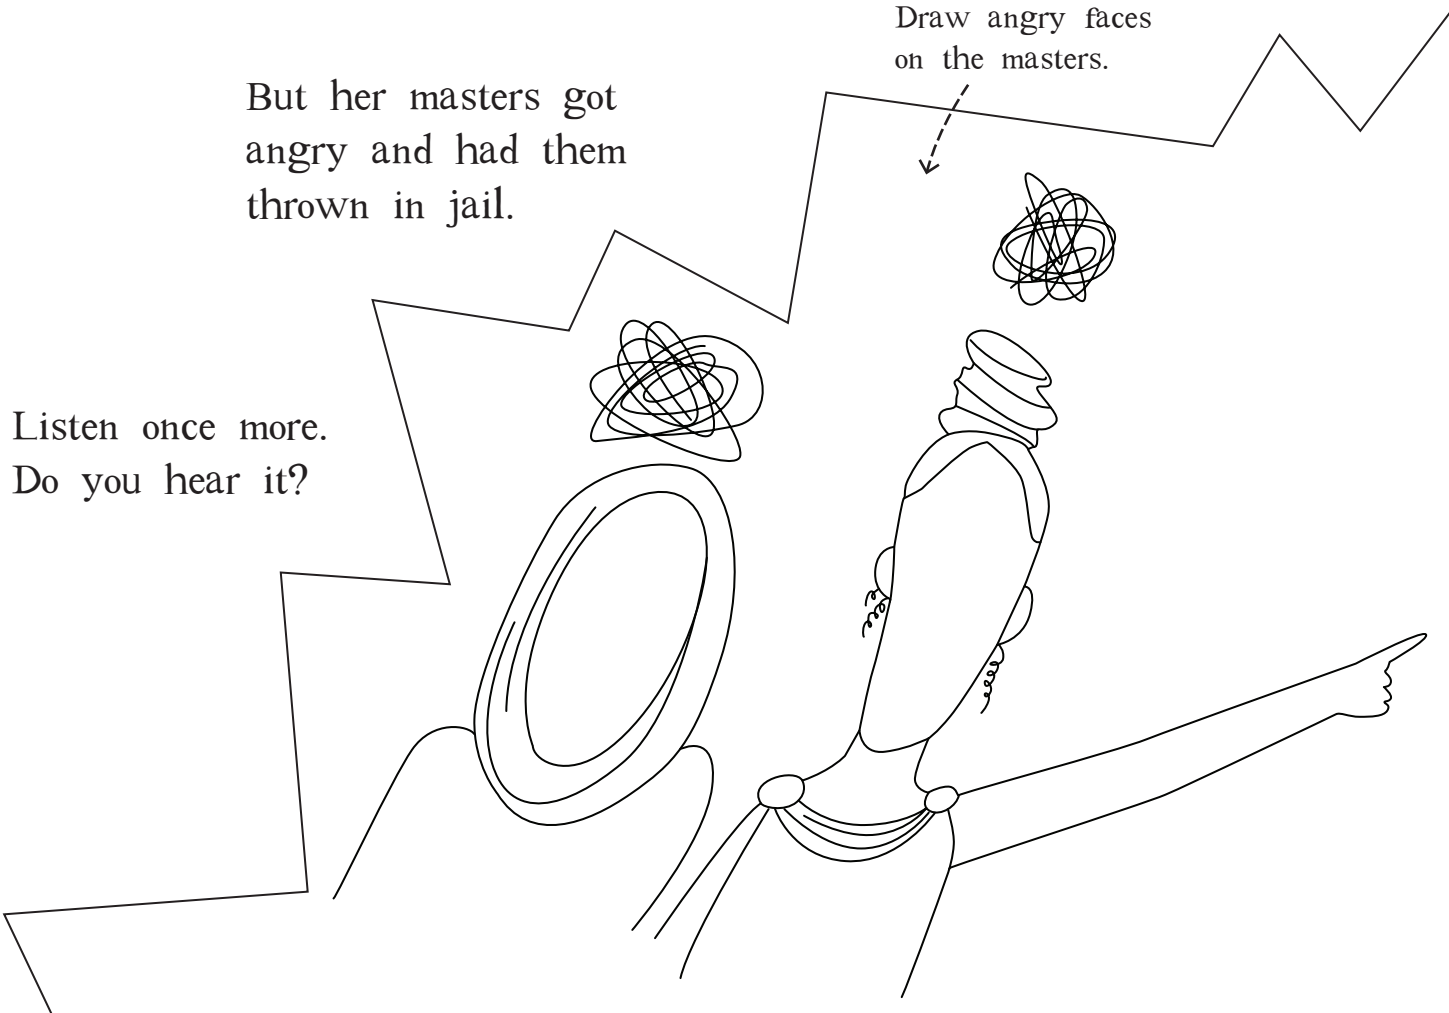

Are they complaining?

They could be. They really shouldn't be there, you see. They were only helping a slave girl they met while walking through Philippi.

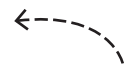

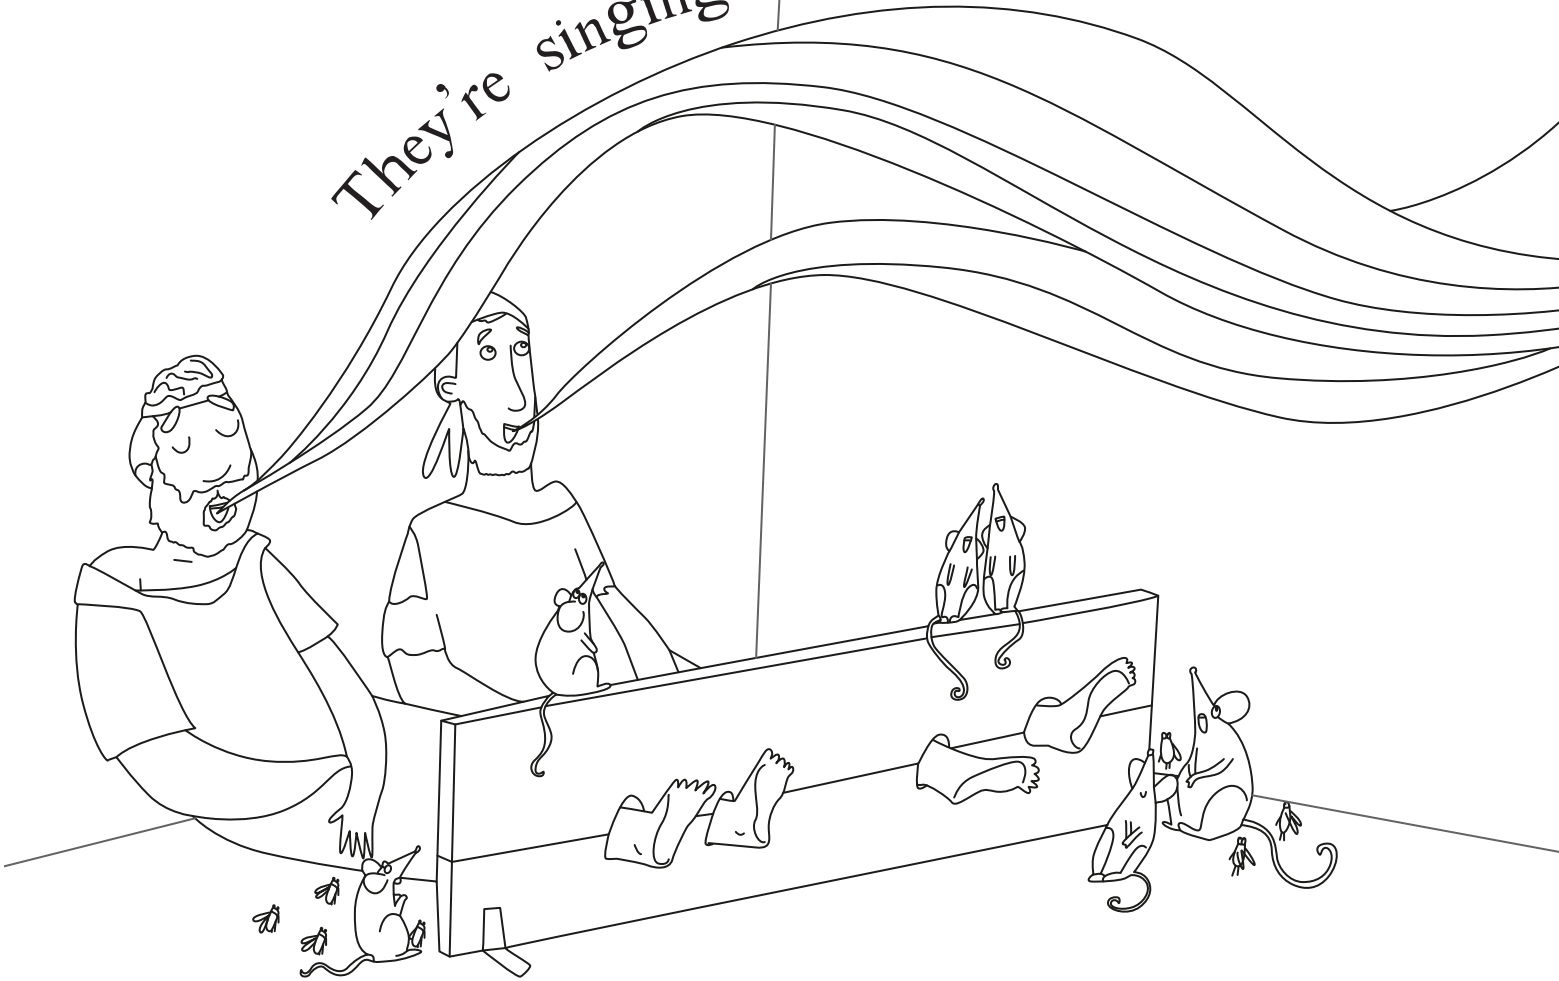

But her masters got angry and had them thrown in jail.

Listen once more.
Do you hear it?

Draw angry faces on the masters.

They're singing!

Draw more
critters singing
along.

Singing songs of praise to God.
And every other prisoner in the
jail is listening to them.
