

Loving Father,

Thank you that you know
[teenager's name], that you created
them and made them exactly how
you want them to be. Please help
them to know how loved they are
by you, and by us, and reassure
them that nothing will change that.

Amen

Father God,

Please help [teenager's name] as
the face [exam subject] today.

Help them to lean on your
strength, rely on your peace, and
trust you whether it goes well
or badly. I ask that you will help
them be content, knowing that
your plan will always prevail.

Amen

Lord Jesus,

I praise you for bringing
[teenager's name] to know you
as their Saviour, thank you for
opening their eyes and their heart
to you. Please help them today
to be a light to their classmates,
help them face this exam confident
in you, and allow their witness to
bring many more to know you.

Amen
