

Nehemiah: Life building

Nehemiah

1 v 1-3

Today we meet Nehemiah for the first time. But first, a history lesson.

History lesson

Jerusalem was the special city of God's people, the Israelites. About 600 years BC (*Before Christ*), Jerusalem was destroyed by the evil Babylonians. Many Israelites were captured and taken to Babylon, 900 miles away.

Later, Babylon was overthrown by the Persians.

Their king encouraged some of the Israelites to return to Jerusalem and start rebuilding the city.

Many years later some Israelites still lived in Persia. Some had important jobs, like **Nehemiah**. He was a servant of the king.

Nehemiah wanted to know how the Israelites in Jerusalem were getting on. Jerusalem was a very special place to Nehemiah and the Israelites. It was where **God's temple** was, showing that God was with His people.

Nehemiah's brother had some bad news for Nehemiah...

While Nehemiah was talking to the king, he quickly prayed to God for help. We can talk to God at ANY TIME, IN ANY PLACE. He always hears us.

Nehemiah 2 v 11-20

Nehemiah went to Jerusalem to see how much rebuilding would be needed.

The _____ of heaven will give us success (v20)

Everything Nehemiah said was about God. He wanted to rebuild Jerusalem to bring glory to God. And he knew that God was helping him do this difficult task.

Think!

Do you talk about God enough? When something good happens in your life, do you give God the glory He deserves?

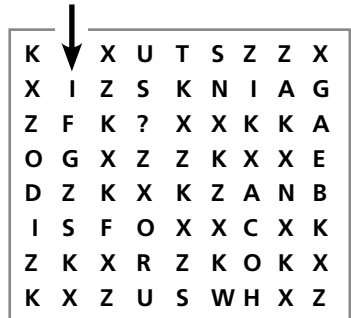

Do you let people know that God is important to you?

Read verses 19-20 again

Sanballat and his henchmen teased and ridiculed Nehemiah and the Israelites for trying to rebuild Jerusalem. But Nehemiah told them that **God would give them success.**
