How to use Discover

Here at Discover, we want you at home to get the most out of reading the Bible. It's how God speaks to us today. And He's got loads of top things to say.

We use the New International Version (NIV) of the Bible. You'll find that the NIV and New King James Version are best for doing the puzzles in Discover.

The Bible has 66 different books in it. So if the notes say...

Read Psalm 19 v 1

...turn to the contents page of your Bible and look down the list of books to see what page Psalms begins on. Turn to that page.

"Psalm 1 v 1" means you need to go to chapter 1 of Psalms, and then find verse 1 of chapter 1 (the verse numbers are the tiny ones). Then jump in and read it!

Here's some other stuff you might come across...

WEIRD WORDS

Think!

This bit usually has a tricky personal question on what you've been reading about.

Challenges you to put what you've read into action.

Wow!

This section contains a gobsmacking fact that sums up what you've been reading about.

Pray!

Gives you ideas for prayer. Prayer is talking to God. Don't be embarrassed! You can pray in your head if you want to. God still hears you! Even if there isn't a Pray! symbol, it's a good idea to pray about what you've read anyway.

Coming up in Issue 10...

Psalms: God talk

You can find the book of Psalms somewhere near the middle of your Bible. It's a collection of songs, prayers and poems written about God and to God.

(By the way, the "P" of Psalms is silent — so it rhymes with calms, palms, farms and llamas... well, almost!)

There are 150 psalms in total — but in this issue of Discover we're going to look at just two. Both of them tell us about how God speaks to us. The writers of these psalms are so excited about God's Word, the Bible — and by the end of their songs you will be too!

Luke: On the road with Jesus

We pick up Luke's life story of Jesus about halfway through. This bit of Luke's Gospel records lots of Jesus' teaching. But these are definitely not boring sermons! Jesus uses loads of interesting stories (parables) to get His message across.

Jesus' BIG warning is that those who think they're good enough for God on their own will miss out on being part of His special kingdom. But there's really GOOD news for those who accept Jesus. We'll see that following Him is sometimes tough — but it's always totally worth it!

Judges: Heroes and zeros

God's Old Testament people, the Israelites, are finally living in the land God promised to give them as their home.

But there's a problem. They keep going against God, so He allows them to get bullied by their enemies. But then God raises up judges to rescue them! Not the TV-talent-show kind of judges — these ones are more like warriors and rulers.

They're definitely not perfect though. Some of them will seriously shock us. But we'll also be wowed as we see how God always rescues His people, even when they don't deserve it!

Romans: Happy hope

Do you ever make up your mind to do the right thing and try really really hard... but then you end up doing what's wrong anyway?

You're not the only one. In chapter 7 of his letter to the Romans, Paul says that he does that too!

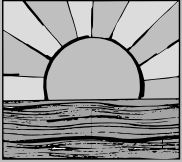

Then we get to chapter 8, which some people say is one of the mountain peaks of the WHOLE Bible! We'll see that the power for living God's way comes from God's Spirit living in us. And that no matter what happens, if we're trusting in Jesus, God is NEVER going to give up on us! It's super-encouraging stuff.

**So what are you waiting for?
Let's get stuck in...**

Psalms: God talk

Psalms 19 v 1-6

How's your singing voice today?

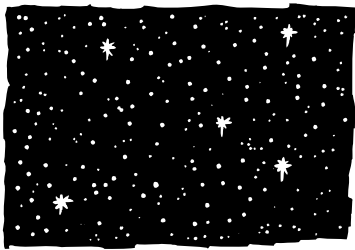

In tune? A bit croaky?

We're kicking off this issue of Discover by looking at two psalms.

Psalms

Psalms are songs and prayers written to God. We're looking at two psalms that tell us about how God speaks to us. God mainly talks to us through His Word, the Bible. But reading the Bible isn't the only way we learn about God.

David wrote Psalm 19. In it he says that we can learn things about God just by looking up in the sky!

Go outside or look out of the window. What does the sky look like right now?

God made all of that! It shows us how amazing He is. Sun, clouds, rain, stars, moon, lightning — **God made it all!**

Wow!

Even people who don't read the Bible see what God has made! It doesn't matter if you're in London or Hawaii, the sky always shows us how great God is.

Read Psalm 19 v 1-4

What does the sky show us about God? Go back 1 letter to find out (B=A, C=B, D=C etc).

The **sun** is a picture of how great God is. It is millions of miles away, but it's sooooo bright and powerful. God made the sun, so imagine how much more powerful God is!

Action!

Look up at the sky and praise God for how great and powerful He is! Maybe when you see the sun or stars, you can tell others how great God is!

Psalm
19 v 7-14

Yesterday we saw how the sky shows us God's greatness.

That means God is pleased with them for obeying Him. God also gives His people great things, far more than they could ever deserve.

Read verses 4-8

If we want to obey God's Word (the Bible), we'll hate doing what's wrong and love following God's ways. But we need God's help!

Even when we really want to live God's way, we often mess up and let Him down. The psalm-writer knew he couldn't obey God without HUGE help from the Lord.

Action!

Flick forward in Psalm 119 to **verses 33-35**. Read through them several times. Now write them out on a sheet of paper. You might want to put them into your own words and maybe even turn it into a poster for your wall.

Pray!

If you really want to live for God, pray the prayer you've just written down. Ask God to help you serve Him in everything you do.

Positive prayer pointers

Psalm
119 v 145-149

We're still in Psalm 119, taking an in-depth look at God's Word, the Bible.

Today is a code-breaker special.

What should we always do when we read the Bible?

Be honest: how often do you pray? Is it usually rushed?

The person who wrote Psalm 119 didn't just say a super-quick prayer and then rush for his breakfast! He had something to ask God that he really needed the Lord to answer. See how he went about it...

Read Psalm 119 v 145-149

What did he do?

His prayers were not a bored, quiet mumble. He put his heart into it. He was so desperate for God to hear him that he even prayed through the night!

What did he call out to God?

He asked God to save him from his enemies. And we can ask God to help us too.

Why was he sure that God would answer his prayer? (v149)

He knew that he didn't deserve an answer from God. But he knew how incredibly kind and loving God is. God loves us and answers our prayers!

Luke: Life with Jesus

Luke
10 v 25-28

*Want to know
how to get to
heaven?*

And how to pray?

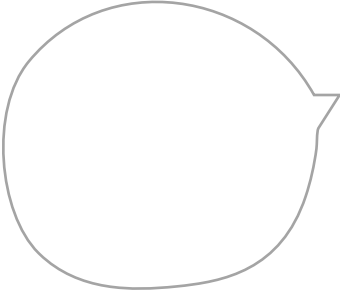

*And how to live
for God?*

*Then it's time to
learn from Jesus!*

An expert in the Old Testament put Jesus to the test with a tricky question.

Read Luke 10 v 25

What was his question?

The key words there are "what must **I do?**". In other words: "How can **I earn** eternal life?"

Read verse 26

Jesus asked him what God's law (the Old Testament) says the answer is.

Action!

Something on your mind? Not sure what the answer is? The first place to look is always the Bible. Maybe you know someone who can show you exactly where to look.

So how do we get eternal life with God?

Complete the sentence by filling in the right words.

To inherit eternal life you must love the Lord

with all your _____

and with all your _____

and with all your _____

and with all your _____.

Great answer, but he was asking the wrong question. No one can earn eternal life because no one can actually live a perfect life.

Wow!

We can't EARN eternal life, but we can get it! It's a GIFT from God. He sent Jesus to die in our place. We can only have eternal life by trusting Jesus to forgive our sins.

Pray!

Thank God for His awesome gift of eternal life. And ask Him to help you love Him even more!

Luke
10 v 29-37

A Bible expert asked Jesus how he could get eternal life.

The Priest

(a man chosen to serve God)

The Levite

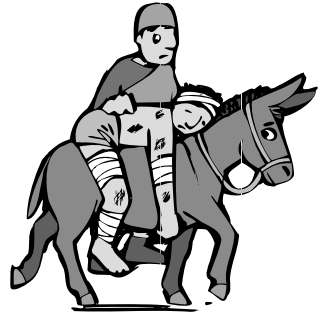

(a helper in God's temple)

The Samaritan

So who was a friend to the injured man?

The one they least expected.

Read verses 36-37

Jesus is saying that even a hated Samaritan is this man's neighbour. **Anyone**, even the people we least expect, can love God and live His way. And anyone can be part of God's kingdom.

Wow!

The man asked who his neighbour was. Jesus says that EVERYONE is our neighbour, whether we like them or not. So we should go out of our way to show God's love to them.

Think & pray!

Who do you need to show God's love to and how will you do it?

Ask God to help you!
