

# ALL ABOUT BIBLE ANIMALS

**A**nimals are such an important part of our world, from the smallest of insects to the largest of the animal kingdom. But which ones were important in the Bible, and why? Were animals viewed the same way thousands of years ago as they are today?

This book starts with the very first animals that God created. Each double-page spread introduces another incredible creature, with fascinating facts, Bible quotes and picture references. Tricky Bible words and concepts are explained throughout, as we discover which Bible animals were valued, feared, disliked, or even part of a miraculous rescue!

As we journey through the Bible, we'll find out that God can even use animals to help fulfil his plans and promises (and he often does).
